

1.Overview

Quick Details

Classification: Sulphate

Type: Magnesium Sulphate

CAS No.: 7487-88-9

Other Names: magnesium sulfate heptahydrate

MF: MgSO₄

EINECS No.: 231-793-3

Place of Origin: China (Mainland)

Grade Standard: Agriculture Grade, Industrial Grade, Feed Grade

Purity: 99%

Appearance: white crystalline

Application: Fertilizer, Feed

Brand Name: DITAI

Boiling point: 330 °C at 760 mmHg

Density: 2.66

Storage conditions: Store in cold storage

Certificate: SO

Solubility: Easy Soluble

Grade 1: Dry

Grade 2: Semi Dry

2.Packaging & Delivery

Packaging Details

25/50kg PP/PE bag, 25mt/20'FCL

Delivery Time

within 25days after payment
